

ArtReach

A grant program of the Florida Keys Council of the Arts.

Sponsored in part by the Florida Keys Council of the Arts, the State of Florida, Department of State, Division of Cultural Affairs, the Florida Arts Council, the National Endowment for the Arts, and private donations.

ArtReach is an audience development grant for individual Monroe County artists and arts organizations and their partners.

The name "ArtReach" is a pun on the word "outreach."

The project must extend the applicant's typical audience by reaching out to a new population.

Grant projects may be in any genre: performance, visual art, or writing.

The applicant must have a partner organization. This partner need not be an arts organization. The partner contributes something of value to assist the artist or cultural organization to reach out to a new audience.

Awards typically are up to \$1,000 per project. To request more than \$1,000, applicants must have prior approval from the Florida Keys Council of the Arts.

Annual deadline: October 31
