GENERAL INFORMATION

The South Florida Cultural Consortium is an alliance of the local arts agencies of Martin, Palm Beach, Broward, Miami-Dade and Monroe Counties. The Consortium's Fellowship Program assists eligible visual and media artists living in the South Florida region through direct grants awarded solely on the basis of creative excellence, to improve artistic skills and encourage career development.

FELLOWSHIP AMOUNT

Non-matching fellowships of \$15,000 and \$7,500 will be awarded at the discretion of the judges to selected visual and media artists from Miami-Dade, Broward, Palm Beach, Monroe, and Martin Counties. Fellowships of \$7,500 will be limited to no more than two per county. The fellowships are to be used by the individual artists according to his or her needs.

Please note that fellowships are taxable as provided by federal law. Refer to IRS Publication 520, "Scholarships and Fellowships" for complete information on reductions (www.irs.ustreas.gov).

ELIGIBILITY

All South Florida professional artists (those residing in Martin, Palm Beach, Broward, Miami-Dade or Monroe County) are eligible to apply. A professional artist is defined as a person who has created a recognized body of original works of art within an artistic discipline over a sustained period of time, and who is pursuing this work as a means of livelihood and/or a way to achieve the highest level of professional recognition.

Applicants must be over 18 years of age.

Artists must have resided and worked in one of the participating five counties from October 1, 2004 to October 1, 2005 and **must apply from the county of their residence**. Awards will be made contingent on proof of residency, which may include one or more of the following: a current State of Florida driver's license; voter's registration; and an IRS income tax return for 2004.

Non-professional students pursuing undergraduate or graduate degrees, non-professionals who engage in art work as a hobby, employees of the participating County governments or the South Florida Cultural Consortium's member local arts agencies are not eligible. Professional artists returning to school in pursuit of an undergraduate or graduate degree may apply.

A moratorium of five years is imposed on recipients who received the \$15,000 fellowship between 2001 and 2005 (applications submitted 2000-2004). A moratorium of three years is imposed on recipients of a \$7,500 fellowship.

- Recipients will be announced in early 2006.
- Submissions will not be returned until January-February, 2006.
- Awards will be presented in the Spring of 2006.
